Education

Narula Institute of Technology, West Bengal	**CGPA: 7.9/10 (upto 5th sem)**
Bachelor of Technology in Electronics and Communication Engineering	*2021-2025*
Banibanjadurberia Vidyapith, West Bengal	**Percent: 79**
Senior Secondary (XII - WBCHSE)	*2019-2021*

Projects

Travelo | *React.JS*   Live Link
- Developed a **responsive and visually appealing Travel Agency** Website using the **React** framework.
- Employed React Router for seamless navigation and routing within the application, optimizing user flow and enhancing overall accessibility.

Shopping Cart | *React.JS*   Live Link
- Utilizing ReactJS for dynamic and responsive user interface development.
- Upon tapping **"add to cart"**, a pop-up screen confirms successful addition.
- In this website **add to cart and remove to cart** functionality is there.

Health-Care | *Vanilla JS, CSS*   Live Link
- **Health Care** is a team project developed for Hack4Bengal2.0 (**Hackathon**)
- Includes a Python-based **chatbot** for answering queries.

Experience

Oasis Infobyte   May. 2023 – June. 2023
Summer Internship   *India*
- Assisted in the implementation of responsive and visually appealing user interfaces.
- Contributed to the frontend logic by writing **JavaScript** code to enhance user interactivity.
- Ensured the website's **responsiveness** across various devices and screen sizes, **making it user-friendly.**

KWOC   Dec. 2023 – Jan. 2024
Associate with IIT Karagpur   *India*
- Selected for contributing some open source projects at **KWOC.**
- Passionate **MERN** stack developer contributing to **open source projects**, enhancing coding skills collaborating globally, and delivering impactful solutions.

SWOC   Jan. 2024 – Feb. 2024
Open Source Contribution   *India*
- Identified and resolved bugs within the **codebase**, ensuring smoother operation and enhanced user experience.
- Proficient in **creating, managing, and merging pull requests**, facilitating seamless collaboration within the open-source community.

Technical Skills and Interests

Languages: C/C++, Python, Javascript, HTML. | **Libraries** : C++ STL, ReactJs. | **Web Dev Tools**: Nodejs, VScode, Git, Github. | **Frameworks**: ExpressJs. | **Cloud/Databases**: MongoDb, Postman. | **Areas of Interest**: Web Design and Development, Backend Development. | **Relevent Coursework**: CN, OOPS, DBMS | **Soft Skills**: Problem Solving, Self-learning, Presentation, Adaptability

My Achievements

- **Solved more than 800+ DSA questions on different coding platform.**
- **25th rank among 2100+ College-Mates on Geeksforgeeks.**
- **Selected in Hackathon in top 50 teams, where applied 900 teams in different colleges.** (Hack4Bengal2.0)
